## EDUCATION

### Web Application Development, Higher Vocational Training

**Institution:** IES El Cañaveral | Móstoles, Madrid, Spain | September 2024 – June 2026

- **Final Degree Project (TFG/TFM):** "Golpass" – Ticket sales platform for league football matches | Laravel, Filament, Livewire, JavaScript, MySQL, Docker | REST API development, use of external APIs, development of automatic execution commands.
- **Academic Achievements / Relevant Subjects:** Database, Client-Side Web Development, Server-Side Web Development, Deployment, Computer Systems.

## PROJECTS AND PRACTICAL EXPERIENCE

### Golpass - Completed

- **Cart management service:** iterative service that includes multiple states for each ticket order based on user decisions.
- **Real-time seat selection service:** each seat is defined by its number and status according to the sector; real-time selection is developed by Livewire with its "@poll" annotation, which updates the component at each scheduled interval (in this case, the component updates every 1 second).
- **Payment Service:** payment service developed using the Stripe API, which provides flexibility and a good user experience, as well as an account section that includes payment records, achieving an external service that integrates with the previous services. During development, an estimated payment time of 15 minutes was incorporated, which is sufficient time for the user to enter their card details and execute the payment with greater comfort.

## SKILLS

- **Technical Skills / Tools:** VS Code, NetBeans, PHP, Java, Docker, Docker Compose, GIT, MySQL, HTML5, CSS, JavaScript.
- **Soft Skills:** Compression capacity, punctuality, Good communication and teamwork

## CERTIFICATIONS AND COURSES

- **JavaScript Fundamentals** – OpenWebinars - 2026
- **Introduction to Prompt Engineering** – OpenWebinars - 2026
- **Working with the OpenAI API** – DataCamp - 2026
- **JavaScript fundamentals** - OpenWebinars - 2026
- **Creating a database for e-commerce using MySQL** - OpenWebinars - 2026

## LANGUAGES

- **Spanish:** Native
- **English:** A2
